tesarikas@kopkalaw.com

Practice Areas

- Commercial Lines (Premises Liability)
- Construction Defect Litigation
- Elevator Liability
- Products Liability
- Transportation Defense

Thomas Sarikas practices law out of KPD's Chicago office with a focus on construction matters, products liability, premises liability, transportation defense, and insurance coverage law.

Thomas is an experienced attorney with experience representing both plaintiffs and defendants providing unique insight on litigation and business matters. His technical expertise and analytical skills have helped him resolve a number of disputes. Among his accomplishments, is a successful defense of a TCPA lawsuit that was upheld on appeal which found that consent for receiving faxes can be given by joining. He has also obtained a number of MSJs in state and federal court.

An experienced attorney and communicator, Thomas has given talks on mechanic liens and how Illinois' marijuana statute will affect the construction industry.
